CONTENTS

UNIT I: PROFESSIONAL GROWTH AND TRANSITION

1. Role Transitions, 2

Transitions, 3

- What Are Transitions? 3
- What Are Important Factors Influencing Transitions? 3
- Transitions in Nursing, 4

Reality Shock, 5

- What Is Reality Shock? 5
- What Are the Phases of Reality Shock? 6

Role Transformation, 10

- When Does the Role Transition to Graduate Nurse Begin? 11
- How Can I Prepare Myself for This Transition Process? 13

Rules of the Road, 20

2. Personal Management: Time and Self-Care Strategies, 23

Managing Your Time, 23

- Balance Is the Key, 24
- What Are Your Biological Rhythms, and How Do You Use Them? 24
- What Is Meant by Right- and Left-Brain Dominance, and Where Is My Brain? 24
- Which Are You? 26
- How Can I Manage My Physical Environment? 26
- What About Managing the Telephone? 28
- What About All That E-Mail, Texting, or Social Media? 29
- How Can I Manage My Time? 29

Managing Tasks, 30

- How Do I Deal With Procrastination? 30
- Consider the Consequences. 30
- The Earlier, the Better. 31

Managing Others, 32

- What About Delegation and Time Management? 33

Managing Your Goals, 33

- Begin by Listing, 34
- Prioritize With the ABCD System, 34
- Keep It Going, 35

Self-Care Strategies, 35

- Is Burnout Inevitable for Nurses? 36
- Empowerment and Self-Care, 37

3. Mentorship, Preceptorship, and Nurse Residency Programs, 47

Historical Background, 48

What Mentoring Is and Is Not, 48

- What Is Preceptorship? 49
- What Happens If I Experience a Challenge During My Preceptorship? 50

What Is a Nurse Residency Program? 51

- How to Find a Mentor, 55
- What Are the Characteristics of a Successful Mentor? 55
- What Is a Mentoring Moment? 57
- When Do We Need Mentors? 57
- What Is the Role of the Mentee? 58
- What Are the Characteristics of the Mentee? 58
- What Are the Types of Mentoring Relationships? 58
- Mentoring Through Reality Shock, 58
- What Does the Future Hold? 60

4. Employment Considerations: Opportunities, Resumes, and Interviewing, 64

What Is Happening in the Job Market? 66

Self-Assessment, 68

- What Are My Clinical Interests? 68
- What Are My Likes and Dislikes? 68
- What Are My Personal Needs and Interests? 70
- What Are My Career Goals? 71

Researching Prospective Employers, 71

- What Employment Opportunities Are Available? 71
- What About Advanced Degrees in Nursing? 73

How Do I Go About Researching Prospective Employers? 73

- Employment Considerations: How Do You Decide on an Employer? 73

What Do I Need to Know to Assess the Organization? 76

- How Do You Go About Assessing an Organization to Find What You Want? 76

Portfolios, 77

What Is an E-portfolio? 77

Traditional and Employer-Focused**Resumes, 78**

How Do I Write an Effective Resume? 78

What Information Is Necessary for a Resume? 78

What Else Should I Submit With My Resume? 81

What Are the Methods for Submitting Resumes? 82

The Interview Process, 83

How Do I Plan My Interview Campaign? 83

Strategies for Interview Success, 85

Critical First 5 Minutes!, 85**Phases of the Interview, 86****How Do I Handle Unexpected Questions or Situations? 87**

Now Can We Talk About Benefits? 87

Job Offers and Possible Rejection, 88

Postinterview Process, 89

Follow-up Communication, 90

What If I Do Not Like My First Position? 90

What If It Is Time for Me to Change Positions? 91

5. NCLEX-RN® Examination and the New Graduate, 94**The NCLEX-RN® Examination, 95**

Who Prepares It and Why Do We Have to Have It? 95

How Will the Nurse Licensure Compact Affect Your License? 95

What Is the NCLEX-RN® Examination Test Plan? 96

What Does CAT Mean? 97

What Are Some of the Other Things I Really Need to Know About the NCLEX-RN® Examination? 100

Preparing for the NCLEX-RN® Examination, 101

Where and When Should I Start? 101

How Do I Select an NCLEX-RN® Examination Review Course? 104

NCLEX-RN® Examination Review Books: Which One Is Right for You? 106

Test Anxiety: What Is the Disease? How Do You Get Rid of It? 109

What Kinds of Questions Can I Expect on the NCLEX-RN® Examination? 110

What Difference Do Test-Taking Strategies Make? 117

What Are Strategies for Answering Multiple-Choice Questions? 118

NCLEX-RN® Examination Testing Tips, 119

UNIT II: NURSING: A DEVELOPING PROFESSION**6. Historical Perspectives: Influences on the Present, 124****Nursing History: People and Places, 125**

Where Did It All Begin? 125

Why Deacons, Widows, and Virgins? 125

How Did Knighthood Contribute to Nursing? 126

What About Revolts and Nursing? 127

Florence Nightingale: The Legend and the Lady, 128

American Nursing: Critical Factors, 131

What Was It Like in Colonial Times? 131

What Happened to Nursing During the U.S. Civil War? 131

How Did the Roles of Nurses and Wives Compare During the Victorian Era? 131

Who Were the Reformers of the Victorian Era? 132

What Were the Key Challenges and Opportunities in Twentieth-Century Nursing? 132

How Did the Symbols (Lamp, Cap, and Pin) of the Profession Evolve? 133

What Are the Key Events and Influences of the Twenty-First Century? 133

History of Nursing Education, 136

What Is the History of Diploma Nursing? 136

What Is the History of Associate Degree Nursing? 136

What Is the History of Baccalaureate Nursing? 136

What Is the History of Graduate Nursing Education? 137

The Nurse's Role: The Struggle for Definitions, 137

What Do Nurses Do? 137

What Is the Traditional Role of a Nurse? 137

Did You Know You Would Be a Teacher or Educator? 138

When Did the Nurse Become an Advocate? Nurse in the Role of Advocate, 139

What Is the Role of Manager of Care? 141

Can Nurses Be Colleagues? 141

Where Does This Leave the Role of Colleague? 142

What About Experts? 142

7. Nursing Education, 146**Path of Diploma Education, 147**

What Is the Educational Preparation of the Diploma Graduate? 147

Path of Associate Degree Education, 148

What Is the Educational Preparation of the Associate Degree Graduate? 148

Path of Baccalaureate Education, 149

What Is the Educational Preparation of the Baccalaureate Graduate? 149

Other Types of Nursing Education, 150

What Are the Other Available Educational Options? 150
What Is a BSN/MSN Completion Program? 151

Nontraditional Paths for Nursing Education, 153

What About a Master's Degree as a Path to Becoming an RN? 153

What About a Doctoral Path to Becoming an RN? 153

Graduate Education, 154

What About Graduate School? 154
Why Would I Want a Master's Degree? 154
How Do I Know Which Master's Degree Program Is Right for Me? 157
Why Would I Want a Doctoral Degree? 157
How Do I Know Which Doctoral Program Is Right for Me? 158

Credentialing: Licensure and Certification, 158

What Is Credentialing? 158
What Are Registration and Licensure? 158
What Is Certification? 159
What Is Accreditation? 159

Nursing Education: Future Trends, 160

The Changing Student Profile, 160
Educational Mobility, 161
A Shortage of Registered Nurses, 162
A Shortage of Qualified Nursing Faculty, 162
Technology and Education, 163
Changing Health Care Settings, 163
The Aging Population, 163

8. Nursing Theory, 167**Nursing Theory, 168**

What Is Theory? 168
What Nursing Theory Is Not, 168
Why Theory? 168
What Is the History of Nursing Theory? 170

Who Are the Nursing Theorists? 174

Selected Nursing Theorists, 174

9. Image of Nursing: Influences of the Present, 185**Professional Image of Nursing, 186**

What Do We Mean by the "Image" of Nursing? 186
What Constitutes a Profession? 189
Is Nursing a Profession? 191

Nursing Organizations, 195

What Should I Know About Professional Organizations? 195
What Organizations Are Available to the Recent Graduate? 195

UNIT III: NURSING MANAGEMENT**10. Challenges of Nursing Management and Leadership, 204****Management Versus Leadership, 205**

What Is the Difference Between Management and Leadership? 205
What Are the Characteristics and Theories of Management? 207
What Is Meant by Management Style? 208
What Are the Characteristics and Theories of Leadership? 209
Management Requires "Followership", 213

The Twenty-First Century: A Different Age for Management and for Leadership, 213

The Silent or Veteran Generation, 214
The Baby Boomers, 214
Generation X, 215
Generation Y, 215
Generation Now or Gen Z, 216

Power and Authority in Nursing Management, 219

Do You Know the Difference Between Power and Authority? 219
What Are the Different Types of Power? 219

Management Problem Solving, 220

How Are Problem-Solving Strategies Used in Management? 220
Evidence-Based Management Protocols and Interventions, 221
How Are Problem Solving and Decision Making Related? 223
What Effect Does the Leader Have on the Group? 224

The Challenge of Change, 225

Who Initiates Change and Why? 227

11. Building Nursing Management Skills, 233**Communication and Patient Safety, 234**

How Can I Improve My Verbal Communication for Patient Safety? 235
How Can I Improve My Written Communication for Patient Safety? 236

Communicating When It Is Critical—What Do You Need To Do? 239

- Critical Patient Tests, 239
- Critical Hand-Off Communication, 239
- Shift Change—So Much to Say . . . So Little Time, 241
- How Can I Deal With All the Interruptions? 242
- What Skills Do I Need to Use the Telephone Effectively? 243

Managing Time in the Clinical Setting, 243

- Get Organized Before the Change-of-Shift Report, 244
- Prioritize Your Care, 245
- Organize Your Work by Patient, 246

Managing Others, 247

- What About Delegating and Time Management? 247
- Supervising and Evaluating the Care Provided by Others, 249

12. Effective Communication, Team Building, and Interprofessional Practice, 252

Communication in the Workplace, 253

- How Can I Communicate Effectively With My Supervisor? 253
- How Can I Communicate Effectively With Other Nursing Personnel? 254

What Does My Image Communicate to Others? 255

- How Do Gender Differences Influence Communication Styles? 256
- What Should I Know About the “Grapevine”? 256
- How Can I Handle Cultural Diversity at Work? 257

Components of Effective Communication, 258

- How Can I Communicate Effectively in Writing? 258
- How Can I Learn to Speak Effectively? 259
- What Listening Skills Do I Need to Develop? 261
- How Can I Use Nonverbal Communication Effectively? 263
- How Can I Communicate Effectively by Using Technology? 263

Group Communication, 266

- What Is Group Process? 266
- How Can You Improve Communications in Group Meetings? 268

Team Building and Interprofessional Practice, 268

- What Is Team Building? 268
- What Is Interprofessional Practice? 271
- When Nurses Work As an Interprofessional Team, Everyone Involved Benefits! 272

Assertive Styles of Communication, 275

- How Can Nurses Be More Assertive? 276
- What Are the Benefits of Assertiveness? 276
- What Are My Basic Rights as a Person and as a Nurse? 277
- How Can I Begin to Practice Assertive Communication? 277
- What Are the Components of Assertive Communication? 277
- When to Use Assertive Communication, 278

13. Conflict Management, 282

Conflict, 283

- What Causes Conflict? 283

Conflict Resolution, 284

- What Are Ways to Resolve Conflict? 284
- What Are Some Basic Guidelines for Choosing the Technique to Use? 288

Dealing With Difficult People, 288

- What Are Some Techniques for Handling Difficult People? 288
- What Is Anger? 292
- What Is the Solution for Handling Anger? 293

Sexual Harassment in the Workplace, 296

- What Is Sexual Harassment? 297
- What Can I Do About It? 298

14. Delegation in the Clinical Setting, 301

What Does Delegation Mean? 302

- The Delegation Process, 302

Who Is Accountable Here? 304

The Right Task, 305

What Can I Delegate? 306

- Is There Anything I Cannot Delegate? 308

The Right Circumstances, 309

- How Can I Determine the Strengths and Weaknesses of Team Members? 309
- What Are the Causes of Performance Weaknesses? 312

The Right Person, 314

- How Can I Use Outcomes in Delegating? 314

The Right Direction and Communication, 316

- How Can I Get the Delegate to Understand What I Want? 316

The Right Supervision and Evaluation, 318

- How Can I Give and Receive Feedback Effectively? 318

UNIT IV: CURRENT ISSUES IN HEALTH CARE

15. The Health Care Organization and Patterns of Nursing Care Delivery, 325

What Are Some Important Challenges Currently Facing Health Care? 326

Cost of Health Care, 326

Managed Care, 326

What Impact Has Managed Care Had on Costs? 327

Affordable Care Act, 327

Strategies to Control Costs, 327

Case Management, 327

Disease Management, 329

Do Disease Management Programs Reduce the Cost of Health Care? 330

What Tools Are Used to Support Care Coordination? 331

Pay for Performance, 331

Evidence-Based Practice, 332

How Do We Know That Critical Pathways and Disease Management Protocols Reflect the Latest and Best Practice? 332

Shortage of Nurses, 333

How Can Health Care Organizations Retain Nurses? 334

Magnet Hospitals, 334

The Impact of the 2010 Institute for Medicine Future of Nursing Report, 335

Patient Safety, 336

Institute for Healthcare Improvement, 339

The Effects of Various Patterns of Nursing Care Delivery: A Historical Perspective, 340

What Is the Total Patient Care or Private Duty Model? 340

What Is Functional Nursing? 341

What Is Team Nursing? 342

What Is Primary Nursing? 343

What Is Patient-Focused Care? 344

What Is Telehealth? 344

What Is the Most Effective Model of Nursing Care? 344

What Is the Impact of Staffing Patterns on the Quality of Care? 345

How Are Nursing Work Assignments Determined? 347

What About Scheduling Patterns? 350

What About the Use of Overtime? 350

16. Economics of the Health Care Delivery System, 356

What Are the Trends Affecting the Rising Costs of Health Care? 357

Intrinsic Factors, 357

Extrinsic Factors, 358

What Is the Effect of the Changing Economic Environment on Clinical Practice? 359

Introduction to Economics, 359

What Are the Choices About Amount of Spending? 359

The Affordable Care Act of 2010, 359

What Are the Choices Regarding the Services Provided? 360

What Are the Choices About Methods to Produce Health Care? 361

What Are the Choices About Allocation? 361

Budgets, 363

What Are the Basic Concepts of Budgets? 363

What Are the Types of Budgets? 364

Fiscal Responsibility to the Patient, 368

Fiscal Responsibility to the Employing Organization, 371

Fiscal Responsibility to the Payer of Care, 372

17. Political Action in Nursing, 376

What Exactly Is Politics? 378

What Other Strategies Would You Suggest? 379

What Are the Skills That Make Up a Nurse's Political Savvy? 379

What Is Power, and Where Does It Come From? 381

Law 1: Power Invariably Fills Any Vacuum, 381

Law 2: Power Is Invariably Personal, 381

Law 3: Power Is Based on a System of Ideas and Philosophy, 381

Law 4: Power Is Exercised Through and Depends on Institutions, 381

Law 5: Power Is Invariably Confronted With and Acts in the Presence of a Field of Responsibility, 382

Another Way to Look at Power and Where to Get It, 382

Networking Among Colleagues, 383

Building Coalitions, 383

What About Trade-Offs, Compromises, Negotiations, and Other Tricks of the Trade? 383

How Do I Go About Participating in the Election Process? 384

- What Is a Political Action Committee? 385
- After Getting Them Elected, Then What? 386
- Controversial Political Issues Affecting Nursing, 390**
 - Uniform Core Licensure Requirements, 390
 - Nursing and Collective Bargaining, 391
 - Equal Pay for Work of Comparable Value or Comparable Worth? 391
 - Legislative Campaign for Safe Staffing, 392
- 18. Collective Bargaining: Traditional (Union) and Nontraditional Approaches, 395**
 - When Did the Issues Leading to Collective Bargaining Begin? 397
 - The Evolution of Collective Bargaining in Nursing, 398
 - Legal Precedents for State Nursing Associations as Collective Bargaining Agents, 398
 - Who Represents Nurses for Collective Bargaining? 399
 - Traditional and Nontraditional Collective Bargaining, 399
 - ANA and NNU: What Are the Common Issues? 401
 - The Debate Over Collective Bargaining, 403**
 - Collective Bargaining: Perspectives of the Traditional Approach, 403
 - How Can Nurses Control Their Own Practice? 410
 - Collective Bargaining: Perspectives of the Nontraditional Approach, 411
 - Future Trends, 414
- 19. Ethical Issues, 418**
 - Understanding Ethics, 419**
 - What Are Your Values? 419
 - Moral/Ethical Principles, 421
 - Controversial Ethical Issues Confronting Nursing, 429
- 20. Legal Issues, 445**
 - Sources of Law, 446**
 - Where Does “the Law” Come From? 446
 - Torts, 449
 - Invasion of Privacy and Breaches of Privacy and Confidentiality, 451
 - Miscellaneous Intentional Torts and Other Civil Rights Claims Involved With Employment, 452
 - Court Actions Based on Legal Principles, 453**
 - Nursing Licensure, 454**
 - Disciplinary Actions, 454
 - Scope of Practice, 455
 - Multistate Licensure, 455
 - What about Substance use Disorder in Nursing? 455
 - Negligence, 456**
 - Basic Elements of Negligence, 457
 - Do You Have a Professional Duty? 457
 - Falling Below the Standard of Care: Was There a Breach of the Professional Duty? 458
 - Applying “Causation” of Case Study 3 460
 - Who Might have Liability (Responsibility) in a Claim? 461**
 - Personal Liability, 461
 - Supervisory Liability, 462
 - Institutional Liability, 463
 - Student Liability, 463
 - What Defenses Might Be Available in Malpractice Claims? 463**
 - Common Categories of Negligence, 464**
 - Failure to Document, 464
 - Medication Errors, 466
 - Provide a Safe Environment, 467
 - Patient Falls, 467
 - Equipment Failure, 468
 - Failure to Assess Adequately, Monitor, and Obtain Assistance, 469
 - Failure to Communicate Adequately, 470
 - Failure to Report, 470
 - Related Legal Concepts, 471**
 - Informed Consent, 471
 - Advance Directives, 472
 - Criminal Actions, 473**
 - What Criminal Acts Pose a Risk to the Nurse? 473
 - Risk Management and Quality Improvement, 474**
 - How Do I Protect Myself and My Patient From All These Risks? 474
 - Malpractice Insurance, 476
 - What About Individual Malpractice Insurance? 476
 - What Is Institutional Coverage? 476
 - What Should I Ask About Institutional Coverage? 477
 - What Happens When I Go to Court? 477
 - Legal Issues Affecting Nursing, 478**
 - Health Care Costs and Payment Issues, 478
 - Health Care Delivery Issues, 479
 - Issues About Life-and-Death Decisions, 480

UNIT V: CONTEMPORARY NURSING PRACTICE

21. Cultural and Spiritual Awareness, 485

Culture and Spirituality, 485

- What Is Meant by Cultural Competence? 485
- What Practice Issues Are Related to Cultural Competence? 486

Office of Minority Health and Disaster Preparedness, 488

- Culturally Diverse Work Force, 488
- What Is the Meaning of Spirituality? 489

Cultural and Spiritual Assessment, 490

- What Are Cultural and Spiritual Beliefs About Illness and Cures? 490
- How Do You Assess Spiritual Need? 494

22. Quality Patient Care, 499

Standards of Quality Health Care Management, 500

- What Is Root Cause Analysis? 501

History and Evolution of Quality in Health Care, 502

- Who Are Edward Deming, Joseph M. Juran, and Philip Crosby? 502

What Are Core Measures? 504

What Is HCAHPS? 505

What Is Hospital Compare? 505

Just What Is The Joint Commission? 505

- What Are Patient Safety Goals? 506

Monitoring the Quality of Health Care, 507

- What Is Quality Improvement? 507
- How Do We Monitor Quality? 507
- What Is an Indicator and a Metric? 507
- What Are Core Measure Sets? 510
- What Is Performance Improvement? 510
- What Are the Barriers to Quality Improvement? 511

What Are Some Other Agencies Influencing Patient Safety? 512

- Quality Improvement Methods, 513

Tools and Processes for Continuous Quality Improvement, 514

- What Is Six Sigma? 515

How Do We Use DMAIC? 516

- The Define Phase, 519
- The Measure Phase, 520

The Analyze Phase, 521

The Improve Phase, 522

The Control Phase, 523

Health Care Provider Credentialing for Quality Improvement, 525

23. Nursing Informatics, 529

Nursing Informatics, 530

- Nursing Informatics: Why Do I Care? 530
- What Is Nursing Informatics? 531
- Experience and Education, 532
- Role of the IN/INS, 532
- The Certification Process, 533

Professional Practice, Trends, and Issues, 533

- What Are Regulatory and Accreditation Requirements? 533
- Models and Theories, 536

Clinical Information Systems, 537

- The e-World Is Coming ... Wait, It's Here, 538
- Electronic Medical Record and Electronic Health Record, 539
- Personal Health Record, 541
- Technology Changing Workflow for the Better—Medication Fulfillment, 541
- CPOE and Clinical Decision Support, 542
- Technology-Enabled Medication Administration, 542
- e-Prescribing, 542
- What Is Meaningful Use? 543
- Barriers Still Remain, 543

Trends, 544

Using the Internet: The Next Generation of Health Care Delivery, 544

- Electronic Communication, 546
- Telemedicine, Telehealth, and Health Monitoring, 546
- Big Data, 547

Data Access at the Point of Care, 547

- Computers in the Nurses' Station, 547
- Mobility in the Clinical World, 548
- Smartphones, 548
- Using Data to Improve Care at the Bedside, 549

Evaluating Internet Resources, 549

- What Do I Need to Know to Evaluate an Internet Resource? 549

Nursing Informatics and You, 552

- Informatics Competencies for the Practicing Nurse, 552

24. Using Evidence-Based Practice and Nursing Research, 559

What Is Evidence-Based Practice? 560

Step 1: Define the Problem, 560

Step 2: Identify, Review, and Evaluate the Data Applicable to the Problem, 560

Step 3: Design a Practice Change Based on the Data While Incorporating the Clinical Expertise of the Nurse and Patient Preferences, 560

Step 4: Implement the Change in Nursing Practice, 560

The Need for Nursing Practice Based on Research, 562

What Is Nursing Research Utilization? 563

What Are the Steps for Nursing Research Utilization? 563

Research Utilization: What Is It *Not*? 567

Research Utilization Compared With Nursing Research and the Conduct of Research, 568

How Is the Use of Research in Practice Different from Conducting Research? 568

What Is the Relationship Between Nursing Theory and Research Utilization? 571

Defining Your Practice Context, 571

What Are the Health, Social, and Cultural Characteristics of the Patient Population Being Served? 571

What Are the Health Care Delivery Characteristics of Your Setting? 571

What Are the Motivators and Barriers for Incorporating Nursing Research Into Your Practice? 571

The National Institute of Nursing Research, 572

What Is Its Function? 572

The Agency for Healthcare Research and Quality, 573

What Is Its Function? 573

25. Workplace Issues, 575

Questions to Ask When Starting a New Position, 576

Ergonomic Hazards for Health Care Workers, 577

Back Injury, 577

Ergonomic Workstations, 578

Repetitive Motion Disorders, 580

Workplace Violence: A Growing Concern in Health Care, 580

Lateral Violence (Bullying) and Other Forms of Workplace Harassment, 581

Other Workplace Issues, 585

Needlestick and Sharps Safety, 585

Handling Staffing Shortages, 586

Mandatory Overtime, 589

Assigned to a Unit That Is Unfamiliar (Floating)—What Do I Do Now? 590

Making a Mistake—What Do I Do Now? 592

26. Emergency Preparedness, 598

What Is Public Health Preparedness? 599

Clinical Preparedness, 599

What Are Biological Agents? 599

What Are Chemical Agents? 599

What Are Radiological/Radioactive Agents? 602

What Is a Pandemic? 604

What Is Personal Protective Equipment in Disaster Response? 604

What Is Disaster Nursing? 606

What Is Triage? 608

Public Health Preparedness and Administrative Efforts, 608

Community Health Nurse Issues and Public Health Preparedness, 611

Epidemiological Aspects, 611

What Is the Strategic National Stockpile? 612

What Is a CHEMPACK? 612

What Is ESAR-VHP? 613

Medical Reserve Corps, 613

Disaster Medical Assistance Teams, 613

What Do I Need to Know About Community Preparedness Issues? 613

What Do I Need to Know About Disaster Mental Health? 614

Individual and Family Preparedness Issues, 616

Emerging Trends and Issues in Emergency Preparedness, 618

The 2010 Institute of Medicine Report, 620

Index, 623
