UNIT I Foundations in Theory

1 Mental Health and Mental Illness, 1

Margaret Jordan Halter

- Mental Health and Mental Illness, 2
- Mental Health Continuum, 3
- Risk and Protective Factors, 4
 - Individual Attributes and Behaviors, 4*
 - Social and Economic Circumstances, 5*
 - Environmental Factors, 5*
 - Perceptions of Mental Health and Mental Illness, 6*
 - Social Influences on Mental Healthcare, 6*
- Legislation and Mental Health Funding, 9
 - Mental Health Parity, 9*
 - Patient Protection and Affordable Care Act of 2010, 9*
- Epidemiology of Mental Disorders, 10
 - Classification of Mental Disorders, 11*
- Psychiatric-Mental Health Nursing, 11
 - What Is Psychiatric-Mental Health Nursing? 11*
 - Classification of Nursing Diagnoses, Outcomes, and Interventions, 12*
 - Levels of Psychiatric-Mental Health Clinical Nursing Practice, 12*
- Future Issues for Psychiatric-Mental Health Nurses, 13
 - Educational Challenges, 13*
 - An Aging Population, 14*
 - Cultural Diversity, 14*
 - Science, Technology, and Electronic Healthcare, 14*
- Advocacy and Legislative Involvement, 14

2 Theories and Therapies, 18

Margaret Jordan Halter

- Psychoanalytic Theories and Therapies, 19
 - Psychoanalytic Theory, 19*
 - Psychodynamic Therapy, 20*
- Interpersonal Theories and Therapies, 21
 - Interpersonal Theory, 21*
 - Interpersonal Therapy, 21*
 - Implications of Interpersonal Theory to Nursing, 22*
- Behavioral Theories and Therapies, 22
 - Classical Conditioning Theory, 22*
 - Behavioral Theory, 23*
 - Operant Conditioning Theory, 23*
 - Behavioral Therapy, 23*
- Cognitive Theories and Therapies, 25
 - Rational-Emotive Therapy, 25*
 - Cognitive-Behavioral Therapy, 25*
- Humanistic Theories, 26
 - Theory of Human Motivation, 26*
- Biological Theories and Therapies, 28
 - Biological Model, 28*
- Developmental Theories, 29
 - Cognitive Development, 29*

- Theory of Object Relations, 30*
- Theories of Moral Development, 30*
- Ethics of Care Theory, 31*

Conclusion, 32

3 Psychobiology and Psychopharmacology, 36

Mary A. Gutierrez, Jerika T. Lam

- Structure and Function of the Brain, 37
 - Functions and Activities of the Brain, 37*
 - Cellular Composition of the Brain, 40*
 - Organization of the Brain, 40*
 - Visualizing the Brain, 43*
 - Disturbances of Mental Function, 45*
- Action of Psychotropic Drugs, 48
 - Drug Agonism and Antagonism, 49*
 - Antianxiety and Hypnotic Drugs, 49*
 - Antidepressant Drugs, 51*
 - Mood Stabilizers, 55*
 - Anticonvulsant Drugs, 55*
 - Antipsychotic Drugs, 56*
 - Drug Treatment for Attention-Deficit/Hyperactivity Disorder, 59*
 - Drug Treatment for Alzheimer's Disease, 59*
 - Herbal Treatments, 59*

UNIT II Foundations for Practice

4 Treatment Settings, 62

Monica J. Halter, Christine M. Tebaldi

- Background, 63
- Continuum of Care, 64
- Outpatient Care Settings, 64
 - Primary Care Providers, 64*
 - Specialized Psychiatric Care Providers, 65*
 - Patient-Centered Medical Homes, 65*
 - Community Mental Health Centers, 66*
 - Psychiatric Home Care, 66*
 - Assertive Community Treatment, 66*
 - Intensive Outpatient Programs and Partial Hospitalization Programs, 67*
 - Other Outpatient Venues for Psychiatric Care, 67*
 - Emergency Care, 67*
- Prevention in Outpatient Care, 68
 - Primary Prevention, 68*
 - Secondary Prevention, 68*
 - Tertiary Prevention, 68*
- Outpatient Psychiatric Nursing Care, 68
 - Promoting Recovery and Continuation of Treatment, 68*
- Inpatient Care Settings, 69
 - Crisis Stabilization/Observation Units, 69*
 - General Hospital and Private Hospital, 69*
 - State Hospital, 69*
- Considerations for Inpatient Care, 69
 - Entry to Acute Inpatient Care, 69*

Rights of the Hospitalized Patient, 70
Teamwork and Collaboration, 70
Therapeutic Milieu, 71
Unit Design, 72

Inpatient Psychiatric Nursing Care, 72

Specialty Treatment Settings, 73

Pediatric Psychiatric Care, 73

Geriatric Psychiatric Care, 73

Veterans Administration Centers, 73

Forensic Psychiatric Care, 74

Alcohol and Drug Use Disorder Treatment, 74

Self-Help Options, 74

5 Cultural Implications, 77

Rick Zoucha, Kimberly Wolf

Minority Status, Race, Ethnicity, and Culture, 78

Minority Status, 78

Race, 78

Ethnicity, 78

Culture, 78

Measuring Race and Ethnicity in the United States, 78

Demographic Shifts in the United States, 79

Basic Worldviews, 79

Western Tradition, 79

Eastern Tradition, 80

Indigenous Culture, 80

Impact of Culture, 80

Cultural Barriers to Mental Health Services, 81

Communication Barriers, 81

Stigma of Mental Illness, 83

Misdiagnosis, 83

Cultural Concepts of Distress, 83

Genetic Variation in Pharmacodynamics, 84

Populations at Risk for Mental Illness and Inadequate Care, 85

Immigrants, 85

Refugees, 85

Cultural Minorities, 85

Culturally Competent Care, 85

Cultural Awareness, 86

Cultural Knowledge, 86

Cultural Encounters, 86

Cultural Skill, 86

Cultural Desire, 87

6 Legal and Ethical Considerations, 91

Margaret Jordan Halter, Diane K. Kjervik

Ethical Concepts, 92

Mental Health Laws, 93

Admission and Discharge Procedures, 93

Admission Procedures, 93

Voluntary Admissions, 93

Discharge Procedures, 94

Patients' Rights Under the Law, 95

Right to Treatment, 95

Right to Refuse Treatment, 95

Right to Informed Consent, 96

Rights Regarding Psychiatric Advance Directives, 97

Rights Regarding Restraint and Seclusion, 97

Rights Regarding Confidentiality, 98

Failure to Protect Patients, 99

Laws Relevant to Psychiatric Nursing, 99

Tort Law, 99

Standards for Nursing Care, 101

State Boards of Nursing, 101

Professional Associations, 101

Institutional Policies and Procedures, 101

Custom as a Standard of Care, 102

Acting on Questionable Practice, 102

Negligence, Irresponsibility, or Impairment, 102

Documentation of Care, 103

Medical Records and Quality Improvement, 103

Medical Records as Evidence, 103

Guidelines for Electronic Documentation, 103

Forensic Nursing, 103

Violence in the Psychiatric Setting, 104

UNIT III Psychosocial Nursing Tools

7 The Nursing Process and Standards of Care, 108

Elizabeth M. Varcarolis

Quality and Safety Education in Nursing, 110

Standards of Practice in Psychiatric-Mental Health Nursing, 110

Standards of Practice for Psychiatric-Mental Health

Nursing: Standard 1: Assessment, 110

Age Considerations, 111

Language Barriers, 111

Psychiatric-Mental Health Nursing

Assessment, 112

Standards of Practice for Psychiatric-Mental Health

Nursing: Standard 2: Diagnosis, 115

Diagnostic Statements, 115

Types of Nursing Diagnoses, 115

Standards of Practice for Psychiatric-Mental

Health Nursing: Standard 3: Outcomes

Identification, 116

Standards of Practice for Psychiatric-Mental Health

Nursing: Standard 4: Planning, 116

Standards of Practice for Psychiatric-Mental Health

Nursing: Standard 5: Implementation, 118

Standard 5A. Coordination of Care, 118

Standard 5B. Health Teaching and Health

Promotion, 118

Standard 5C. Consultation, 118

Standard 5D. Prescriptive Authority and

Treatment, 118

Standard 5E. Pharmacological, Biological, and

Integrative Therapies, 118

Standard 5F. Milieu Therapy, 118

Standard 5G. Therapeutic Relationship and

Counseling, 119

Standard 5H. Psychotherapy, 119

Standards of Practice for Psychiatric-Mental Health

Nursing: Standard 6: Evaluation, 119

Documentation, 119

Documentation of "Nonadherence," 119

8 Therapeutic Relationships, 124*Elizabeth M. Varcarolis***Concepts of the Nurse-Patient Relationship, 125***Importance of Talk Therapy, 125**Goals and Functions, 125**Social Versus Therapeutic, 125**Relationship Boundaries and Roles, 126***A Focus on Self-Awareness, 128****Peplau's Model of the Nurse-Patient Relationship, 129***Preorientation Phase, 130**Orientation Phase, 130**Working Phase, 132**Termination Phase, 132***Factors that Promote Patients' Growth, 133***Genuineness, 133**Empathy, 133**Positive Regard, 133***9 Therapeutic Communication, 137***Elizabeth M. Varcarolis***Introduction, 138***Saying the Wrong Thing, 138**Benefits of Therapeutic Communication, 138***The Communication Process, 138****Factors that Affect Communication, 140***Personal Factors, 140**Environmental Factors, 140**Relationship Factors, 140***Verbal and Nonverbal Communication, 140***Verbal Communication, 140**Nonverbal Communication, 140**Interaction of Verbal and Nonverbal
Communication, 140***Communication Skills for Nurses, 141***Therapeutic Communication Techniques, 141**Nontherapeutic Communication Techniques, 145**Cultural Considerations, 147**Information Communication Technologies, 148**Evaluation of Communication Skills, 149***The Clinical Interview, 149***Preparing for the Interview, 149**Introductions, 150**Initiating the Interview, 150**Tactics to Avoid, 150**Helpful Guidelines, 150**Attending Behaviors: The Foundation of
Interviewing, 150**Clinical Supervision and Debriefing, 151***10 Stress Responses and Stress Management, 156***Margaret Jordan Halter***Responses to and Effects of Stress, 157***Early Stress Response Theories, 157**General Adaptation Syndrome, 158**Bad Stress Versus Good Stress? 159**Critique of the GAS, 159**Neurotransmitter Stress Responses, 159**Immune System Stress Responses, 159***Mediators of the Stress Response, 160***Stressors, 160**Perception, 160**Individual Temperament, 160**Social Support, 161**Support Groups, 161**Culture, 161**Spirituality and Religion, 162***Nursing Management of Stress Responses, 162***Measuring Stress, 162**Assessing Coping Styles, 164**Managing Stress through Relaxation
Techniques, 164**Biofeedback, 164**Deep Breathing Exercises, 165**Guided Imagery, 166**Progressive Relaxation, 166**Meditation, 166***Other Ways to Relax, 167***Physical Exercise, 167**Cognitive Reframing, 167**Journaling, 167**Humor, 168***UNIT IV Psychobiological Disorders****11 Childhood and Neurodevelopmental Disorders, 171***Cindy Parsons***Risk Factors, 173***Biological Factors, 173**Psychological Factors, 173**Environmental Factors, 173***Health Policy, 174***Cultural, 175***Child and Adolescent Psychiatric-Mental Health****Nursing, 175****Application of the Nursing Process, 175****Assessment, 175***Data Collection, 175**Mental Status Examination, 176**Play Therapy, 177**Bibliotherapy, 177**Advanced Practice Interventions, 178***Neurodevelopmental Disorders: Clinical Picture, 178****Communication Disorders, 179****Motor Disorders, 179***Developmental Coordination Disorder, 179**Stereotypic Movement Disorder, 179***Tic Disorders, 179****Specific Learning Disorder, 180****Intellectual Disability, 180****Application of the Nursing Process, 180****Assessment, 180****Diagnosis, 181****Outcomes Identification, 181****Implementation, 181***Psychosocial Interventions, 181***Evaluation, 181****Autism Spectrum Disorder, 181**
