---

This work is provided “as is,” and the publisher disclaims any and all warranties, express or implied, including any warranties as to accuracy, comprehensiveness, or currency of the content of this work.

This work is no substitute for individual patient assessment based upon healthcare professionals’ examination of each patient and consideration of, among other things, age, weight, gender, current or prior medical conditions, medication history, laboratory data and other factors unique to the patient. The publisher does not provide medical advice or guidance and this work is merely a reference tool. Healthcare professionals, and not the publisher, are solely responsible for the use of this work including all medical judgments and for any resulting diagnosis and treatments.

Given continuous, rapid advances in medical science and health information, independent professional verification of medical diagnoses, indications, appropriate pharmaceutical selections and dosages, and treatment options should be made and healthcare professionals should consult a variety of sources. When prescribing medication, healthcare professionals are advised to consult the product information sheet (the manufacturer’s package insert) accompanying each drug to verify, among other things, conditions of use, warnings and side effects and identify any changes in dosage schedule or contraindications, particularly if the medication to be administered is new, infrequently used or has a narrow therapeutic range. To the maximum extent permitted under applicable law, no responsibility is assumed by the publisher for any injury and/or damage to persons or property, as a matter of products liability, negligence law or otherwise, or from any reference to or use by any person of this work.

# Contents

## *Part* **1** **Older Adults and Wellness 1**

---

### *chapter* **1** **Seeing Older Adults Through the Eyes of Wellness 2**

THE RELATIONSHIP BETWEEN WELLNESS AND AGING	3
WELLNESS AND NURSING CARE OF OLDER ADULTS	3
DEFINITIONS OF AGING	4
SUCCESSFUL AGING	5
ATTITUDES TOWARD AGING	5
Age Stereotypes	6
Ageism	6
Effects of Ageism and Age Stereotypes	7
Ageism and Nursing	8
DEBUNKING MYTHS: UNDERSTANDING REALITIES ABOUT OLDER ADULTS IN THE UNITED STATES	9
Demographics of Aging	9
Health Characteristics	9
Socioeconomic Characteristics	11
Living Arrangements of Older Adults	12
Assisted Living Facilities	14
Older Adults as Givers and Recipients of Care	15
Family Caregiver	15
Grandparents Raising Grandchildren	16
OLDER ADULTS IN THE WORLD	16

### *chapter* **2** **Health Inequities, Culturally Appropriate Care, and Diverse Groups of Older Adults 20**

HEALTH INEQUITIES, SOCIAL DETERMINANTS OF HEALTH, AND HEALTH LITERACY	20
Health Inequities	21
Social Determinants of Health	21
Health Literacy	22
CULTURALLY APPROPRIATE CARE	22
Cultural Competence and Cultural Humility	23
Cultural Self-Assessment	23
Sources of Information Related to Culturally Appropriate Care	24
Linguistic Competence in the Care of Older Adults	24
Cultural Perspectives on Wellness	24
OVERVIEW OF DIVERSE GROUPS OF OLDER ADULTS IN THE UNITED STATES	25
THE LARGEST RACIAL-ETHNIC MINORITY GROUPS OF OLDER ADULTS IN THE UNITED STATES	27
Blacks or African Americans	27
Hispanic Americans or Latinos	28
Asians and Pacific Islanders in the United States	30
American Indians and Alaska Natives	32
OLDER ADULTS IN OTHER DIVERSE GROUPS	33
Older Adults in Rural Areas	33
Homeless Older Adults	33
LGBTQ Older Adults	34

*chapter 3*

**Applying a Nursing Model for Promoting Wellness in Older Adults 38**

A NURSING THEORY FOR WELLNESS-FOCUSED CARE OF OLDER ADULTS 38

CONCEPTS UNDERLYING THE FUNCTIONAL CONSEQUENCES THEORY 39

- Functional Consequences 39
- Age-Related Changes and Risk Factors 41
- Person 42
- Nursing 43
- Health and Wellness 43
- Environment 43

APPLYING THE THEORY TO PROMOTE WELLNESS IN OLDER ADULTS 45

ADDITIONAL THEORIES PERTINENT TO THE CARE OF OLDER ADULTS 45

*chapter 4*

**Theoretical Perspectives on Aging Well 48**

HOW CAN WE LIVE LONG AND WELL? 48

- Life Span and Life Expectancy 49
- Rectangularization of the Curve and Compression of Mortality 50
- Healthy Life Expectancy 50
- Older Adults Who Are Healthy and Long-Lived 50

HOW DO WE EXPLAIN BIOLOGIC AGING? 51

- Genetic Factors 51
- Current Foci of Biologic Aging Theories 51
- Conclusions About Biologic Theories 52
- Relevance to Nurses 52

SOCIOCULTURAL PERSPECTIVES ON AGING 53

- Sociocultural Theories Addressing Inequalities 53
- Sociocultural Theories Related to Caregiving 54
- Relevance of Sociocultural Theories of Aging to Nurses 54

PSYCHOLOGICAL PERSPECTIVES ON AGING 55

- Life-Course Theories 55
- Psychological Theories of Successful Aging 55
- Relevance of Psychological Theories of Aging to Nurses 56

A HOLISTIC PERSPECTIVE ON AGING AND WELLNESS 57

*Part 2*

**Nursing Considerations for Older Adults 61**

---

*chapter 5*

**Gerontological Nursing and Health Promotion 62**

GERONTOLOGY AND GERIATRICS 62

GERONTOLOGICAL NURSING AS A SPECIALTY AND A RESPONSIBILITY 63

- Competencies for Older Adult Care 64
- Initiatives and Resources for Improving Gerontological Nursing Competencies 64
- Improving Health Care for Older Adults Through Nursing Research 65

HEALTH PROMOTION FOR OLDER ADULTS 65

TYPES OF HEALTH PROMOTION

INTERVENTIONS 66

- Screening Programs 67
- Risk-Reduction Interventions 68
- Environmental Modifications 68
- Health Education 68

RESOURCES FOR HEALTH PROMOTION 69

PROMOTION OF PHYSICAL ACTIVITY AS A NURSING INTERVENTION FOR WELLNESS 70

MODELS OF BEHAVIOR CHANGE FOR HEALTH PROMOTION 70

*chapter 6*

**Current Foci of Care for Older Adults 78**

AGE-FRIENDLY HEALTH CARE 78

QUALITY AND SAFETY ISSUES 80

- Quality and Safety Education for Nurses 80
- National Initiatives Related to Quality of Care for Older Adults 81

TRANSITIONAL CARE 81

INTERPROFESSIONAL COLLABORATION 82

TECHNOLOGY TO PROMOTE WELLNESS IN OLDER ADULTS 84

ADDRESSING NEEDS OF CAREGIVERS 85

**chapter 7****Health Care for Older Adults in Various Settings 88****COMMUNITY-BASED SERVICES FOR OLDER ADULTS 88**

- Health Promotion Programs 90
- Faith Community Nursing 91
- Respite Services 91
- Adult Day Centers 91
- Geriatric Care Managers 91

**HOME-BASED SERVICES 92**

- Skilled Home Care 92
- Nonmedical Home Care 93
- Sources of Home Care Services 93
- Roles for Nurses in Home Care 93

**NURSING HOME SETTINGS 94**

- Quality of Care in Nursing Homes 94
- Roles for Nurses in Nursing Home Settings 95

**MODELS OF CARE IN HOSPITAL SETTINGS 96**

- Acute Care Units for Elders 96
- Nurses Improving Care for Healthsystem Elders 96
- Hospital Elder Life Program 97

**PAYING FOR HEALTH CARE SERVICES FOR OLDER ADULTS 97**

- Out-of-Pocket Expenses 97
- Medicare 97
- Medicare-Supported Comprehensive Models 97
- Medigap Insurance 99
- Medicaid 99
- Older Americans Act 99
- Long-Term Care Insurance 99

**chapter 8****Assessment of Health and Functioning 102****INTRODUCTION 102****ASSESSING HEALTH OF OLDER ADULTS 102****NURSING ASSESSMENT TOOLS 103****FUNCTIONAL ASSESSMENT AND FUNCTION-FOCUSED CARE 103**

- Functional Assessment 104
- Function-Focused Care 105
- Functional Assessment in People Who Are Cognitively Impaired 106
- Assessing the Use or Potential Use of Adaptive and Assistive Devices 106

**COMPREHENSIVE GERIATRIC ASSESSMENTS 106****ASSESSMENT OF SAFETY IN HOME SETTINGS 106****DRIVING SAFETY 110**

- Risks for Unsafe Driving 113
- Nursing Assessment of Driving 114
- Interprofessional Team Approach Related to Older Adult Drivers 115
- Nursing Interventions Related to Safe Driving 115
- Referrals for Driving Evaluation and Recommendations 115

**chapter 9****Medications and Other Bioactive Substances 119****CONSIDERATIONS ABOUT BIOACTIVE SUBSTANCES 119**

- Medications 119
- Herbs and Dietary Supplements 121
- Cannabis (Marijuana) 121

**AGE-RELATED CHANGES THAT AFFECT MEDICATIONS IN OLDER ADULTS 122**

- Changes That Affect the Action of Medications in the Body 122
- Changes That Affect Medication-Taking Behaviors 123

**RISK FACTORS THAT AFFECT MEDICATIONS IN OLDER ADULTS 124**

- Pathologic Processes and Functional Impairments 124
- Lack of Accurate Information 124
- Communication Barriers 125
- Polypharmacy and Inadequate Monitoring of Medications 125
- Medication Nonadherence 125
- Financial Concerns Related to Prescription Drugs 126
- Insufficient Recognition of Adverse Medication Effects 126

**POTENTIALLY INAPPROPRIATE MEDICATIONS 126****MEDICATION INTERACTIONS 127**

- Medication–Medication Interactions 128
- Medications and Herbs 128
- Medications and Nutrients 128
- Medications and Alcohol 129

**FUNCTIONAL CONSEQUENCES ASSOCIATED WITH MEDICATIONS IN OLDER ADULTS 129**

- Altered Therapeutic Effects 129
- Increased Potential for Adverse Effects 129
- Anticholinergic Adverse Effects 130
- Altered Mental Status 130
- Antipsychotics in People With Dementia 130
- Drug-Induced Movement Disorders 131

#### **NURSING ASSESSMENT OF MEDICATION USE AND EFFECTS 131**

- Communication Techniques for Obtaining Accurate Information 131
- Scope of a Medication Assessment 132
- Observing Patterns of Medication Use 132
- Linking the Medication Assessment to the Overall Assessment 133
- Identifying Adverse Medication Effects 134

#### **NURSING INTERVENTIONS TO PROMOTE SAFE AND EFFECTIVE MEDICATION MANAGEMENT 135**

- Medication Reconciliation 136
- Teaching About Medications and Herbs 137
- Addressing Factors That Affect Adherence 138

#### **TECHNOLOGY TO PROMOTE WELLNESS IN OLDER ADULTS 139**

- Deprescribing 140
- Simplifying Medication Regimens for Self-Management 141

#### **WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 141**

## *chapter 10*

### **Legal and Ethical Concerns 148**

#### **AUTONOMY AND RIGHTS 148**

- Competency 149
- Decision-Making Capacity 149
- Considerations Related to Assessment of Decision-Making Capacity 150
- Shared Decision Making 150

#### **ADVANCE DIRECTIVES 151**

- Durable Power of Attorney for Health Care 151
- Do Not Resuscitate Orders 152
- Living Wills 152
- Physician Orders for Life-Sustaining Treatment 153

#### **ADVANCE CARE PLANNING 153**

#### **LEGAL ISSUES SPECIFIC TO LONG-TERM CARE SETTINGS 154**

#### **ETHICAL ISSUES COMMONLY ADDRESSED IN GERONTOLOGICAL NURSING 156**

- Issues Related to Artificial Nutrition and Hydration 156

- Ethical Decisions About Restraints and Safety 158
- Issues Specific to Long-Term Care Settings 158

#### **CULTURAL ASPECTS OF LEGAL AND ETHICAL ISSUES 159**

#### **ROLES OF NURSES REGARDING LEGAL AND ETHICAL ISSUES 161**

- Facilitating Decisions About Care 162
- Promoting Caregiver Wellness 162

## *chapter 11*

### **Elder Abuse and Neglect 166**

#### **OVERVIEW OF ELDER ABUSE AND NEGLECT 166**

- Definitions and Forms of Elder Abuse 166
- Recognition of Elder Abuse in the United States and the World 167
- Prevalence 169

#### **SPECIFIC TYPES OF ELDER ABUSE MOST RELEVANT TO NURSING 169**

- Self-Neglect 169
- Neglect by a Trusted Other 169

#### **CULTURAL CONSIDERATIONS 170**

#### **CAUSES OF, AND RISK FACTORS FOR, ELDER ABUSE AND NEGLECT 171**

- Vulnerability of the Older Adult 171
- Social Isolation and Lack of Social Support 172
- Dementia, Depression, and Mental Illness 173
- Caregiver Factors 173

#### **ELDER ABUSE IN NURSING HOMES 173**

- Risk Factors Related to Elder Abuse in Nursing Homes 173
- Forms of Elder Abuse in Nursing Homes 174
- Resources for Addressing Elder Abuse in Long-Term Care Settings 174

#### **FUNCTIONAL CONSEQUENCES ASSOCIATED WITH ELDER ABUSE 175**

#### **NURSING ASSESSMENT OF ABUSED OR NEGLECTED OLDER ADULTS 176**

- Unique Aspects of Elder Abuse Assessment 177
- Assessment of Risks to Health and Safety 177
- Physical Assessment 178
- Nutrition and Hydration 180
- Activities of Daily Living and Functional Assessment 180
- Administration of Medications 180
- Psychosocial Function 181
- Caregivers and Support Resources 181
- Cultural Aspects of Assessment 181
- Environmental Influences 182

**NURSING INTERVENTIONS TO ADDRESS ELDER ABUSE AND NEGLECT 183**

- Interventions in Acute Care Settings 184
- Interventions in Long-Term Care Settings 184
- Interventions in Community Settings 185
- Multidisciplinary Teams 186
- Referrals 186
- Services for Prevention and Treatment 187

**LEGAL INTERVENTIONS AND ETHICAL ISSUES 188**

- Adult Protective Services Laws 188
- Ethical Issues 191

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 192**

## *Part* **3** **Promoting Wellness in Psychosocial Function 197**

---

### *chapter* **12** **Cognitive Wellness 198**

**THEORIES AND RESEARCH ON COGNITION AND AGING 198**

- Fluid and Crystallized Intelligence 199
- Theories About Memory 199
- Theories About Adult Cognitive Development 199
- Neuroplasticity 199
- Cognitive Reserve 199

**FACTORS THAT AFFECT COGNITIVE WELLNESS 200**

- Sociocultural Influences 201
- Lifestyle Factors 201
- Vision and Hearing Impairments 201
- Medication Effects 201

**FUNCTIONAL CONSEQUENCES AFFECTING COGNITION 202****PATHOLOGIC CONDITION AFFECTING COGNITION: MILD COGNITIVE IMPAIRMENT 203****NURSING ASSESSMENT OF COGNITIVE FUNCTION 203****NURSING INTERVENTIONS TO PROMOTE COGNITIVE WELLNESS 203**

- Health Education About Cognitive Wellness 204
- Improving Concentration and Attention 204
- Encouraging Participation in Mentally Stimulating Activities 205

- Adapting Health Education Materials 205
- Health Education About Dietary and Nutritional Supplements 205

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 206**

### *chapter* **13** **Psychosocial Wellness 212**

**LIFE EVENTS: AGE-RELATED CHANGES AFFECTING PSYCHOSOCIAL FUNCTION 212**

- Ageism and Stereotype Threat 213
- Retirement 214
- Relocation 214
- Chronic Illness and Functional Impairments 215
- Decisions About Driving a Vehicle 215
- Widowhood 215
- Death of Friends and Family 216

**THEORIES ABOUT STRESS AND COPING IN OLDER ADULTS 216**

- Theories About Stress 216
- Theories About Coping 216
- Relevance for Nurses 217

**FACTORS THAT INFLUENCE PSYCHOSOCIAL FUNCTION IN OLDER ADULTS 218**

- Religion and Spirituality 218
- Generativity 218
- Cultural Considerations 218

**RISK FACTORS THAT AFFECT PSYCHOSOCIAL FUNCTION 220****FUNCTIONAL CONSEQUENCES ASSOCIATED WITH PSYCHOSOCIAL FUNCTION IN OLDER ADULTS 220**

- Loneliness and Social Isolation 220
- Resilience 221

**PATHOLOGIC CONDITION RELATED TO PSYCHOSOCIAL FUNCTION: ALCOHOL USE DISORDER 221****NURSING ASSESSMENT OF PSYCHOSOCIAL FUNCTION 222****NURSING INTERVENTIONS TO PROMOTE HEALTHY PSYCHOSOCIAL FUNCTION 222**

- Enhancing Self-Esteem 222
- Promoting a Sense of Control 223
- Involving Older Adults in Decision Making 224
- Addressing Role Loss 225
- Addressing Loneliness and Social Isolation 225
- Life Review, Reminiscence, and Life Stories 225
- Fostering Social Supports 226

- Addressing Spiritual Needs 227
- Teaching About Managing Stress in Daily Life 228
- Promoting Wellness Through Healthy Aging Classes 229

## WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 231

## *chapter 14*

### **Psychosocial Assessment 238**

#### OVERVIEW OF PSYCHOSOCIAL ASSESSMENT OF OLDER ADULTS 238

- Purposes of the Psychosocial Assessment 239
- Scope of the Psychosocial Assessment 239
- Procedure for the Psychosocial Assessment 240

#### COMMUNICATION SKILLS FOR PSYCHOSOCIAL ASSESSMENT 240

- Nonverbal Communication 242
- Mental Status Screening Tools 243

#### TECHNOLOGY TO PROMOTE WELLNESS IN OLDER ADULTS 243

- Physical Appearance 244
- Motor Function, Body Language, and Psychomotor Behaviors 244
- Social Skills 244
- Response to the Interview 244
- Orientation 245
- Alertness and Attention 246
- Memory 246
- Speech and Language Characteristics 247
- Calculation and Higher Language Skills 247

#### DECISION MAKING AND EXECUTIVE FUNCTION 248

#### AFFECTIVE FUNCTION 249

- Guidelines for Assessing Affective Function 249
- Mood 250
- Anxiety 250
- Self-Esteem 251
- Depression 253
- Happiness and Well-Being 253

#### CONTACT WITH REALITY 253

- Delusions 254
- Hallucinations 257
- Special Considerations for Assessing Contact With Reality in Older Adults 258

#### SOCIAL SUPPORTS 259

- Social Network 259
- Barriers to Obtaining Social Supports 260
- Economic Resources 261

#### RELIGION AND SPIRITUALITY 261

## *chapter 15*

### **Impaired Cognitive Function: Delirium and Dementia 265**

#### OVERVIEW OF DELIRIUM 265

#### PREVALENCE, RISK FACTORS, AND FUNCTIONAL CONSEQUENCES OF DELIRIUM 266

#### NURSING ASSESSMENT OF DELIRIUM 266

#### NURSING INTERVENTIONS FOR DELIRIUM 267

#### OVERVIEW OF DEMENTIA 269

#### TERMINOLOGY TO DESCRIBE DEMENTIA 269

#### TYPES OF DEMENTIA 270

- Alzheimer Disease 270
- Vascular Dementia 271
- Frontotemporal Dementia 271
- Lewy Body Dementia 272

#### FACTORS ASSOCIATED WITH RISK FOR DEMENTIA 273

- Factors That Increase the Risk for Dementia 273
- Subjective Cognitive Decline 273
- Factors That Decrease the Risk for Dementia 274

#### FUNCTIONAL CONSEQUENCES ASSOCIATED WITH DEMENTIA IN OLDER ADULTS 275

- Stages of Dementia 275
- Self-Awareness of People With Dementia 275
- Personal Experiences and Emotional Responses of People With Dementia 276
- Behavioral and Psychological Symptoms of Dementia 277

#### NURSING ASSESSMENT OF DEMENTIA IN OLDER ADULTS 278

- Factors That Influence the Assessment of Dementia 278
- Initial Assessment 279
- Ongoing Assessment of Consequences 279

#### NURSING INTERVENTIONS TO ADDRESS DEMENTIA 280

- Teaching About Treatments and Medications for Dementia 281
- Nonpharmaceutical Interventions for Promoting Wellness in People With Dementia 281
- Improving Safety and Function Through Environmental Modifications 282
- Communicating With Older Adults With Dementia 282
- Interventions for Dementia-Related Behaviors 282
- Psychotropic Medications for Dementia-Related Behaviors 283
- Considerations for Lewy Body Dementia 284

- Nursing Interventions in Long-Term Care Settings 286
- General Principles of Nursing Interventions in Acute Care Settings 286
- ADDRESSING NEEDS OF CAREGIVERS 286**
- WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 289**

## chapter 16

### Impaired Affective Function: Depression and Suicide 297

- OVERVIEW OF DEPRESSION IN OLDER ADULTS 297**
- THEORIES ABOUT LATE-LIFE DEPRESSION 299**
  - Psychosocial Theories 299
  - Links Between Depression and Physiologic Changes 299
  - Links Between Depression and Cognitive Changes 299
- RISK FACTORS FOR DEPRESSION IN OLDER ADULTS 300**
  - Demographic Factors and Psychosocial Influences 300
  - Medical Conditions and Functional Impairments 300
  - Effects of Medications and Alcohol 300
- FUNCTIONAL CONSEQUENCES ASSOCIATED WITH DEPRESSION IN OLDER ADULTS 301**
- NURSING ASSESSMENT OF DEPRESSION IN OLDER ADULTS 302**
  - Identifying the Unique Manifestations of Depression 302
  - Distinguishing Between Depression and Dementia 302
  - Cultural Considerations 303
  - Using Screening Tools 303
- NURSING INTERVENTIONS TO ADDRESS DEPRESSION 304**
  - Alleviating Risk Factors 304
  - Improving Psychosocial Function 305
  - Promoting Health Through Physical Activity and Nutrition 305
  - Providing Education and Counseling 305
  - Facilitating Referrals for Psychosocial Therapies 306
  - Teaching About Nonpharmacologic Therapies for Depression 306
  - Antidepressant Medications for Depression in Older Adults 307

- Nursing Responsibilities Regarding Antidepressants 308
- Teaching About Electroconvulsive Therapy 308
- WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 308**
- OVERVIEW OF SUICIDE IN LATE LIFE 310**
- NURSING ASSESSMENT OF SUICIDE IDEATION AND RISKS FOR SUICIDE 311**
  - Suicidal Ideation 311
  - Multilevel Assessment of Risk for Suicide 311
- NURSING INTERVENTIONS FOR PREVENTING SUICIDE 312**
- WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 313**

## Part 4

### Promoting Wellness in Physical Function 317

---

## chapter 17

### Hearing 318

- AGE-RELATED CHANGES THAT AFFECT HEARING 318**
  - External Ear 318
  - Middle Ear 318
  - Inner Ear 320
  - Auditory Nervous System 320
- RISK FACTORS THAT AFFECT HEARING WELLNESS 320**
  - Exposure to Noise 320
  - Impacted Cerumen 321
  - Adverse Effects of Medications and Treatments 321
  - Disease Processes 322
- FUNCTIONAL CONSEQUENCES AFFECTING HEARING WELLNESS 322**
  - Presbycusis 323
  - Conductive Hearing Loss 323
  - Effects of Hearing Loss on Overall Wellness 324
- PATHOLOGIC CONDITION AFFECTING HEARING: TINNITUS 325**
- NURSING ASSESSMENT OF HEARING 325**
  - Interviewing About Hearing Changes 326
  - Observing Behavioral Cues 327
  - Using Hearing Assessment Tools 327

**NURSING INTERVENTIONS FOR HEARING WELLNESS 328**

- Promoting Hearing Wellness for All Older Adults 329
- Preventing and Alleviating Impacted Cerumen 330
- Compensating for Hearing Deficits 330
- Communicating With Hearing-Impaired Older Adults 334

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 335**

*chapter 18*

**Vision 340**

**AGE-RELATED CHANGES THAT AFFECT VISION 340**

- Eye Appearance and Tear Ducts 340
- The Eye 340
- The Retinal-Neural Pathway 343

**EFFECTS OF AGE-RELATED CHANGES ON VISION 343**

- Loss of Accommodation 343
- Diminished Acuity 344
- Delayed Dark and Light Adaptation 344
- Increased Glare Sensitivity 344
- Reduced Visual Field 344
- Diminished Depth Perception 344
- Altered Color Vision 344
- Slower Visual Information Processing 345

**RISK FACTORS THAT AFFECT VISUAL WELLNESS 345**

**FUNCTIONAL CONSEQUENCES AFFECTING VISUAL WELLNESS 346**

- Effects on Safety, Function, and Overall Health 346
- Effects on Quality of Life 347
- Effects on Driving 347

**PATHOLOGIC CONDITIONS AFFECTING VISION 348**

- Cataracts 348
- Age-Related Macular Degeneration 349
- Glaucoma 350
- Diabetic Retinopathy 351

**NURSING ASSESSMENT OF VISION 352**

- Interviewing About Vision Changes 352
- Identifying Opportunities for Health Promotion 353
- Observing Cues to Visual Function 353
- Using Standard Vision Tests 353

**NURSING INTERVENTIONS FOR VISUAL WELLNESS 354**

- Health Promotion for Visual Wellness 355
- Comfort Measures for Dry Eyes 355
- Environmental Modifications 356
- Low-Vision Aids 357
- Vision Rehabilitation 359
- Providing Vision-Friendly Teaching Materials 359
- Maintaining and Improving the Quality of Life 359
- Teaching Caregivers 359

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 361**

*chapter 19*

**Digestion and Nutrition 367**

**AGE-RELATED CHANGES THAT AFFECT DIGESTION AND EATING PATTERNS 367**

- Smell and Taste 367
- Oral Cavity and Swallowing 369
- Esophagus and Stomach 369
- Intestinal Tract 369
- Liver, Pancreas, and Gallbladder 369

**NUTRITIONAL REQUIREMENTS AND DIETARY PATTERNS FOR HEALTHY AGING 370**

**RISK FACTORS THAT AFFECT DIGESTION AND NUTRITION 371**

- Conditions Related to Oral Care 371
- Functional Impairments and Disease Processes 371
- Dysphagia 371
- Medication Effects 373
- Lifestyle Factors 374
- Psychosocial Factors 374
- Cultural Influences 376
- Socioeconomic Influences 377
- Environmental Factors 378
- Behaviors Based on Myths and Misunderstandings 378

**FUNCTIONAL CONSEQUENCES AFFECTING DIGESTION AND NUTRITION 378**

- Ability to Procure, Prepare, and Enjoy Food 379
- Changes in Oral Function 379
- Poor Nutritional Status and Weight Changes 379
- Malnutrition 379
- Dehydration 380

**PATHOLOGIC CONDITIONS AFFECTING DIGESTIVE WELLNESS: CONSTIPATION 380**

**NURSING ASSESSMENT OF DIGESTION AND NUTRITION 381**

- Interviewing About Digestion and Nutrition 381
- Observing Cues to Digestion and Nutrition 381
- Using Assessment Tools 381
- Physical Assessment Related to Nutrition and Hydration Status 382

**NURSING INTERVENTIONS TO PROMOTE HEALTHY DIGESTION AND NUTRITION 385**

- Promoting Optimal Nutrition and Preventing Disease 385
- Addressing Risk Factors That Interfere With Digestion and Nutrition 385
- Addressing Nutritional Problems in Health Care Settings 387
- Teaching Older Adults and Caregivers About Oral and Dental Health 387
- Addressing Oral Health Care Needs of Older Adults in Health Care Settings 388

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 388***chapter 20***Urinary Function 395****AGE-RELATED CHANGES THAT AFFECT URINARY WELLNESS 395**

- Changes in the Kidneys 395
- Changes in the Bladder and Urinary Tract 397
- Additional Age-Related Changes That Affect Urinary Function 397

**RISK FACTORS THAT AFFECT URINARY WELLNESS 397**

- Misperceptions and Lack of Knowledge 398
- Fluid Intake and Dietary Factors 398
- Medication Effects 398
- Functional Impairments and Environmental Conditions 399
- Factors Related to Pathologic Conditions 400
- Gender-Specific Conditions 400

**FUNCTIONAL CONSEQUENCES AFFECTING URINARY WELLNESS 400**

- Effects on Renal Function 401
- Effects on Voiding Patterns 401
- Urinary Incontinence 401

**PATHOLOGIC CONDITION AFFECTING URINARY FUNCTION: CATHETER-ASSOCIATED URINARY TRACT INFECTIONS 403****NURSING ASSESSMENT OF URINARY FUNCTION 403**

- Talking With Older Adults About Urinary Function 404
- Identifying Opportunities for Health Promotion 404
- Using Laboratory Information 405

**NURSING INTERVENTIONS TO PROMOTE URINARY WELLNESS 405**

- Promoting Self-Management for Overall Urinary Wellness 407
- Improving Functional Abilities to Help Maintain Continence 408
- Teaching About Pelvic Floor Muscle Exercises 408
- Interventions for Continence Training Programs 408
- Using Appropriate Continence Aids 409
- Teaching About Interventions for Urinary Problems 410
- Facilitating Referrals for Treatment 412
- Promoting Caregiver Wellness 412

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 414***chapter 21***Cardiovascular Function 420****AGE-RELATED CHANGES AFFECTING CARDIOVASCULAR FUNCTION 420**

- Myocardium and Neuroconduction Mechanisms 421
- Vasculature 422
- Baroreflex Mechanisms 422

**RISK FACTORS AFFECTING CARDIOVASCULAR FUNCTION 422**

- Atherosclerosis 423
- Physical Inactivity 423
- Tobacco Smoking and Secondhand Smoke 423
- Dietary Habits 423
- Obesity 424
- Hypertension 424
- Lipid Disorders 424
- Metabolic Syndrome 424
- Psychosocial Factors 424
- Heredity and Socioeconomic Factors 425

**FUNCTIONAL CONSEQUENCES AFFECTING CARDIOVASCULAR WELLNESS 425**

- Effects on Cardiac Function 425
- Effects on Pulse and Blood Pressure 425

- Effects on the Response to Exercise 426
- Effects on Circulation 426

## **PATHOLOGIC CONDITIONS**

### **AFFECTING CARDIOVASCULAR WELLNESS: ORTHOSTATIC AND POSTPRANDIAL HYPOTENSION 426**

### **NURSING ASSESSMENT OF CARDIOVASCULAR FUNCTION 427**

- Assessing Baseline Cardiovascular Function 427
- Assessing Blood Pressure 428
- Identifying Risks for Cardiovascular Disease 429
- Assessing Signs and Symptoms of  
Heart Disease 429
- Assessing Knowledge About  
Heart Disease 429

### **NURSING INTERVENTIONS TO PROMOTE HEALTHY CARDIOVASCULAR FUNCTION 430**

- Health Promotion Interventions 430
- Addressing Risks Through Nutritional  
Interventions 430
- Addressing Risks Through Lifestyle  
Interventions 431
- Secondary Prevention 433
- Low-Dose Aspirin for Primary and Secondary  
Prevention 433
- Managing Hypertension 433
- Preventing and Managing Lipid Disorders 435
- Preventing and Managing Orthostatic or  
Postprandial Hypotension 436
- Wellness Outcomes (Positive Functional  
Consequences) 437

## *chapter 22*

### **Respiratory Function 444**

#### **AGE-RELATED CHANGES THAT AFFECT RESPIRATORY FUNCTION 444**

- Upper Respiratory Structures 444
- Chest Wall and Musculoskeletal Structures 444
- Lung Structure and Function 445
- Changes in Immune Function 446

#### **RISK FACTORS THAT AFFECT RESPIRATORY WELLNESS 446**

- Smoking and Smokeless Tobacco Products 446
- Marijuana 447
- Nicotine-Medication Interactions 447
- Secondhand Smoke and Other Environmental  
Factors 447
- Environmental Risk Factors 447
- Additional Risk Factors 448

#### **FUNCTIONAL CONSEQUENCES AFFECTING RESPIRATORY WELLNESS 448**

- Increased Susceptibility to Lower  
Respiratory Infections 448
- Pneumonia in Older Adults 449

#### **PATHOLOGIC CONDITION AFFECTING RESPIRATORY FUNCTION: COPD 449**

#### **NURSING ASSESSMENT OF RESPIRATORY FUNCTION 449**

- Identifying Opportunities for Health  
Promotion 450
- Detecting Lower Respiratory Infections 451
- Assessing Smoking Behaviors 451
- Identifying Other Risk Factors 451
- Identifying Normal Age-Related Variations 452

#### **NURSING INTERVENTIONS FOR RESPIRATORY WELLNESS 453**

- Promoting Respiratory Wellness 453
- Immunizations for Preventing Influenza and  
Pneumonia 453
- Eliminating the Risk From Smoking 454
- Screening for Lung Cancer in Smokers 455

#### **WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 456**

## *chapter 23*

### **Safe Mobility 461**

#### **AGE-RELATED CHANGES THAT AFFECT MOBILITY AND SAFETY 461**

- Bones 461
- Muscles 462
- Joints and Connective Tissue 463
- Nervous System 463

#### **OSTEOPENIA, OSTEOPOROSIS, SARCOPENIA, AND OSTEOSARCOPENIA 463**

#### **RISK FACTORS THAT AFFECT SAFE MOBILITY 464**

- Risk Factors That Affect Overall Musculoskeletal  
Function 464
- Risk Factors for Osteoporosis and Fragility  
Fractures 464

#### **RISK FACTORS FOR FALLS 465**

- Intrinsic Conditions 466
- Adverse Effects of Medications 466
- Environmental Factors 467
- Physical Restraints 467

#### **FUNCTIONAL CONSEQUENCES AFFECTING MUSCULOSKELETAL WELLNESS 468**

- Effects on Overall Musculoskeletal Function 468

Susceptibility to Falls and Fractures	468
Fear of Falling	469
<b>PATHOLOGIC CONDITION AFFECTING MUSCULOSKELETAL FUNCTION: OSTEOARTHRITIS</b>	<b>469</b>
<b>NURSING ASSESSMENT OF MUSCULOSKELETAL FUNCTION</b>	<b>470</b>
Assessing Musculoskeletal Performance	470
Identifying Risks for Osteoporosis	470
Identifying Risks for Falls and Injury	470
Assessing Fear of Falling	473
<b>NURSING INTERVENTIONS FOR MUSCULOSKELETAL WELLNESS</b>	<b>474</b>
Promoting Healthy Musculoskeletal Function	474
Teaching About Osteoporosis	475
<b>PREVENTING FALLS AND FALL-RELATED INJURIES</b>	<b>477</b>
Interventions in Health Care Settings	477
Interventions in Community Settings	477
Addressing Intrinsic Risk Factors	478
Addressing Extrinsic Risk Factors	480
Using Monitoring Devices in Health Care Settings	480
Providing Assistance in Independent Settings	480
Preventing Fall-Related Injuries	481
Addressing Fear of Falling	481
Promoting Caregiver Wellness	481
<b>WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES)</b>	<b>482</b>

## chapter 24

### Integumentary Function 488

<b>AGE-RELATED CHANGES THAT AFFECT THE INTEGUMENTARY SYSTEM</b>	<b>488</b>
Epidermis	488
Dermis	490
Subcutaneous Tissue and Cutaneous Nerves	490
Sweat and Sebaceous Glands	490
Nails	490
Hair	490
<b>RISK FACTORS THAT AFFECT SKIN WELLNESS</b>	<b>490</b>
Medical Conditions and Nutritional Status	490
Medication Effects	491
Health Behaviors and Environmental Influences	491
Sociocultural Influences	491
<b>FUNCTIONAL CONSEQUENCES AFFECTING SKIN WELLNESS</b>	<b>491</b>
Delayed Wound Healing and Increased Susceptibility to Skin Problems	491

Photoaging	492
Comfort and Sensation	492
Cosmetic Effects	492
<b>PATHOLOGIC CONDITION AFFECTING SKIN: SKIN CANCER</b>	<b>493</b>
<b>PATHOLOGIC CONDITION AFFECTING SKIN: SKIN TEARS</b>	<b>494</b>
<b>PATHOLOGIC CONDITION AFFECTING SKIN: MOISTURE-ASSOCIATED SKIN DAMAGE</b>	<b>494</b>
<b>PATHOLOGIC CONDITION AFFECTING SKIN: PRESSURE INJURY</b>	<b>494</b>
Pressure Injury Staging System	495
Pressure Injuries as a Measure of Safety and Quality of Care	495
Functional Consequences	496
Risk Identification	496
Evidence-Based Practice for Pressure Injuries	496
<b>NURSING ASSESSMENT OF SKIN</b>	<b>497</b>
Identifying Opportunities for Health Promotion	497
Observing Skin, Hair, and Nails	498
<b>NURSING INTERVENTIONS FOR SKIN WELLNESS</b>	<b>501</b>
Promoting Healthy Skin	501
Preventing Skin Wrinkles	502
Preventing Dry Skin	502
Detecting and Treating Harmful Skin Lesions	502
<b>WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES)</b>	<b>503</b>

## chapter 25

### Sleep and Rest 508

<b>AGE-RELATED CHANGES THAT AFFECT SLEEP AND REST</b>	<b>508</b>
Sleep Quantity and Quality	508
Circadian Rhythm	510
<b>RISK FACTORS THAT CAN AFFECT SLEEP</b>	<b>510</b>
Psychosocial Factors	510
Environmental Conditions	510
Pathologic Conditions That Affect Sleep	511
Effects of Bioactive Substances	511
<b>FUNCTIONAL CONSEQUENCES</b>	<b>512</b>
<b>PATHOLOGIC CONDITIONS AFFECTING SLEEP</b>	<b>512</b>
Obstructive Sleep Apnea	512
Sleep-Related Movement Disorders	512

**NURSING ASSESSMENT OF SLEEP 513**

- Identifying Opportunities for Health Promotion 513
- Evidence-Based Assessment Tools 513

**NURSING INTERVENTIONS FOR SLEEP WELLNESS 515**

- Teaching Older Adults About Interventions for Sleep Wellness 515
- Improving Sleep for Older Adults in Health Care Settings 516
- Modifying the Environment to Promote Sleep 516
- Educating Older Adults About Medications and Sleep 517
- Teaching About Management of Sleep Disorders 517

**TECHNOLOGY TO PROMOTE WELLNESS IN OLDER ADULTS 518****WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 519***chapter 26***Thermoregulation 524****AGE-RELATED CHANGES THAT AFFECT THERMOREGULATION 524**

- Response to Cold Temperatures 524
- Response to Hot Temperatures 526
- Normal Body Temperature and Febrile Response to Illness 526

**RISK FACTORS THAT AFFECT THERMOREGULATION 526**

- Conditions That Increase the Risk for Hypothermia 526
- Conditions That Increase the Risk for Heat-Related Illness 526
- Environmental and Socioeconomic Influences 527
- Behaviors Based on Lack of Knowledge 527

**FUNCTIONAL CONSEQUENCES ASSOCIATED WITH THERMOREGULATION IN OLDER ADULTS 527**

- Altered Response to Cold Environments 527
- Altered Response to Hot Environments 528
- Altered Thermoregulatory Response to Illness 528
- Lack of Awareness of Risks for Hypothermia or Heat-Related Illness 529
- Psychosocial Consequences of Altered Thermoregulation 529

**NURSING ASSESSMENT OF THERMOREGULATION 530**

- Assessing Baseline Temperature 530

- Identifying Risk Factors for Altered Thermoregulation 531
- Assessing for Hypothermia 531
- Assessing for Heat-Related Illness 531
- Assessing the Older Adult's Febrile Response to Illness 531

**NURSING INTERVENTIONS TO PROMOTE HEALTHY THERMOREGULATION 532**

- Addressing Risk Factors 532
- Promoting Healthy Thermoregulation 532
- Teaching Caregivers 533

**WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES) 534***chapter 27***Sexual Function 538****INTRODUCTION 538****AGE-RELATED CHANGES THAT AFFECT SEXUAL FUNCTION 538**

- Changes Affecting Older Women 538
- Changes Affecting Older Men 540

**RISK FACTORS THAT AFFECT SEXUAL FUNCTION 540**

- Sociocultural Influences 540
- Social Factors 541
- Adverse Effects of Medication, Alcohol, and Nicotine 541
- Effects of Chronic Conditions 542
- Gender-Specific Conditions 542
- Functional Impairments 543
- Attitudes and Behaviors of Families and Caregivers 543
- Effects of Dementia on Sexual Expressions 543

**FUNCTIONAL CONSEQUENCES AFFECTING SEXUAL WELLNESS 544**

- Response to Sexual Stimulation 544
- Sexual Interest and Activity 545
- Sexual Dysfunction in Men and Women 546

**PATHOLOGIC CONDITIONS AFFECTING SEXUAL WELLNESS: HIV/AIDS AND SEXUALLY TRANSMITTED DISEASES 546****NURSING ASSESSMENT OF SEXUAL FUNCTION 548**

- Self-Assessment of Attitudes About Sexual Function and Aging 548
- Assessing Sexual Function in Older Adults 549

**NURSING INTERVENTIONS TO PROMOTE HEALTHY SEXUAL FUNCTION 549**

- Teaching Older Adults About Sexual Wellness 551

Addressing Risk Factors	552
Promoting Sexual Wellness in Long-Term Care Settings	553
Teaching Women About Interventions	553
Teaching Men About Interventions	554
Health Promotion About Sexual Health for Older Men and Women	554
<b>WELLNESS OUTCOMES (POSITIVE FUNCTIONAL CONSEQUENCES)</b>	<b>554</b>

## *Part* **5** **Promoting Wellness During Illness and Transitions in Care 561**

### *chapter* **28** **Caring for Older Adults During Illness 562**

<b>CHARACTERISTICS OF ILLNESS IN OLDER ADULTS</b>	<b>562</b>
Multimorbidity	563
Atypical Presentation	563
Geriatric Syndromes	563
Frailty	564
Roles of Nurses in Addressing Multimorbidity, Atypical Presentations, and Frailty	564
<b>CONNECTING THE CONCEPTS OF WELLNESS, AGING, AND ILLNESS</b>	<b>564</b>
<b>APPLYING WELLNESS CONCEPTS IN SPECIFIC PATHOLOGIC OR CHRONIC CONDITIONS</b>	<b>565</b>
Promoting Wellness for Older Adults With Cancer	566
Promoting Wellness for Older Adults With Diabetes Mellitus	567
Promoting Wellness for Older Adults With Heart Failure	568
<b>HOLISTICALLY CARING FOR OLDER ADULTS WHO ARE SERIOUSLY ILL: FOCUS ON CARE AND COMFORT</b>	<b>570</b>
<b>ADDRESSING NEEDS OF FAMILIES AND CAREGIVERS</b>	<b>571</b>
<b>SPOTLIGHT ON TRANSITIONAL CARE</b>	<b>572</b>

### *chapter* **29** **Caring for Older Adults Experiencing Pain 581**

<b>DEFINITIONS AND TYPES OF PAIN</b>	<b>581</b>
Nociceptive and Neuropathic Pain	581
Acute and Persistent Pain	583
Cancer Pain	584
<b>UNIQUE ASPECTS OF PAIN IN OLDER ADULTS</b>	<b>584</b>
Age-Related Changes	584
Prevalence and Causes	584
<b>FUNCTIONAL CONSEQUENCES OF PAIN IN OLDER ADULTS</b>	<b>584</b>
<b>CULTURAL CONSIDERATIONS REGARDING PAIN</b>	<b>585</b>
<b>NURSING ASSESSMENT OF PAIN IN OLDER ADULTS</b>	<b>585</b>
Identifying Common Misconceptions	585
Obtaining Information About Pain	585
Pain in Older Adults Who Are Cognitively Impaired	588
<b>PHARMACOLOGIC INTERVENTIONS FOR MANAGING PAIN</b>	<b>589</b>
Classifications of Analgesics	589
Misconceptions and Realities About Analgesics	591
The World Health Organization's Three-Step Analgesic Ladder for Pain Management	591
Special Considerations: Opioid Abuse and Misuse	593
<b>NONPHARMACOLOGIC INTERVENTIONS FOR MANAGING PAIN</b>	<b>593</b>
<b>INTERPROFESSIONAL APPROACHES</b>	<b>593</b>
<b>SPOTLIGHT ON TRANSITIONAL CARE</b>	<b>594</b>

### *chapter* **30** **Caring for Older Adults at the End of Life 600**

<b>SOCIETAL AND HEALTH CARE PERSPECTIVES ON DEATH AND END OF LIFE</b>	<b>600</b>
Perspectives of Older Adults on Death and the End-of-Life Trajectory	601
Trends in Providing End-of-Life Care	601
Evolving Approaches Toward Holistic End-of-Life Care	603

CULTURAL ASPECTS OF DEATH  
AND DYING 604

LEGAL AND ETHICAL CONCERNS 604

Legal Issues Related to End-of-Life Choices 604

Ethical Issues Related to End-of-Life Care 605

NURSES ROLES IN COMMUNICATING ABOUT  
END-OF-LIFE DECISIONS 605

HOSPICE CARE 606

PROMOTING WELLNESS AT THE END  
OF LIFE 607

NURSING INTERVENTIONS FOR  
END-OF-LIFE CARE 607

Communication 608

Interventions for Physical Comfort 608

Spiritual Support 609

Addressing Needs of the Family 610

Caring for Oneself When Providing

End-of-Life Care 610

SPOTLIGHT ON TRANSITIONAL CARE 610

**Index 615**
